

BIBLIOGRAFIA OFTALMOLÓGICA

A Biblioteca Regional de Medicina OMS/OPAS, de acordo com a Direção desta Revista, iniciou a publicação de uma série de bibliografias sobre tópicos desta especialidade, que aparecerão em números sucessivos e serão atualizadas periodicamente.

Os profissionais que se interessarem por alguns dos artigos que figuram nas bibliografias, e que não consigam encontrá-los nas bibliotecas de sua instituição, região ou país, poderão obtê-lo através do sistema de empréstimos interbibliotecas da Biblioteca Regional de Medicina, à Rua Botucatu 862, Vila Clementino — 04023 São Paulo, Brasil. Telefone: 71-0611. Telex: SPO 021922.

Bibliografia sobre: RETINOPATIA DIABÉTICA
