

## BIBLIOGRAFIA OFTALMOLÓGICA

A Biblioteca Regional de Medicina OMS/OPAS, da Escola Paulista de Medicina, de acordo com a Direção desta Revista segue a publicação de uma série de bibliografias sobre tópicos desta especialidade.

Os profissionais que se interessarem por alguns dos artigos que figuram nas bibliografias, e que não consigam encontrá-los nas bibliotecas de sua instituição, região ou país poderão obtê-lo através do sistema de empréstimos interbibliotecas da Biblioteca Regional de Medicina, à Rua Botucatu, 862, Vila Clementino — 04023 São Paulo, Brasil. Telefone 71-0611. Telex: SPO 021922.
